

Friday 25th October 2024

This week has been full of pumpkins and spooky fun! The children have used the pumpkins for mark making, painting, balancing and scooping. If you are planning on carving pumpkins at home, please do add some photos to Tapestry so that we can share them with the children after half term!

During outside learning the children have used threaded needles to sew leaves for autumn decorations, used wrapping and winding skills with mini cardboard pumpkins and built some cosy dens.

Our mini munchkin pumpkins have been very popular with the children, and they have particularly enjoyed the elastic band challenge. Taking off and putting on bands uses controlled precise movements of fingers which helps with developing future hand writing skills.

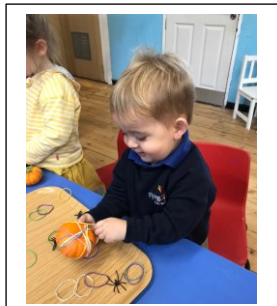

Little All Sports.

On Wednesday the children enjoyed a football skills session with Lisa. In the second part of term we will be covering basketball, gym and movement and a Christmas themed sports session.

Spare Clothes.

Please check backpacks over half term to ensure that spare clothing is suitable for the colder weather. It's also a good time to check that welly boots still fit!

Important Dates.

Half term: 28th Oct – 1st November.

Autumn term part 2.

Mon 4th Nov – Wednesday 18th Dec.

Friday 13th December- Christmas event (parents to attend) 11.15-12.30

Wednesday 18th December – Christmas party for all children.

Our topic after half term is fireworks and colours.

As we come to the end of the first half of the autumn term, we would like to say a big well done to all of our new children for settling in so well and quickly becoming part of the Flying Start family, and to our older children for being so welcoming to new friends. We would also like to say thank you to all the parents and carers for being a sea of smiling faces when we open the door each morning and afternoon...you brighten our day! We wish you all a wonderful half term. We return to nursery on Monday 4th November.
