

Friday 28th February 2025

This week has been all about the Flying Start pets.

The children have loved seeing their pet photos displayed on the board and it has led to some lovely conversations about names and characters of the pets.

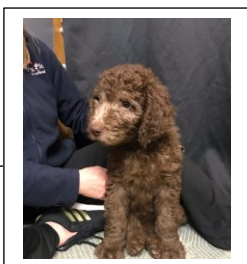

We have talked about pet homes and matched the picture cards, set up our own pet shop, drew our pets and created lots of different animals in our art area.

During outdoor learning the children have hunted for pet pictures, created clay pets and taken part in scavenger hunts. We finished the week with some sunny weather, and we are keeping our fingers crossed that we have lots more of it next week!

On Wednesday we had our Little All Sports session which focused on football skills such as dribbling, small, controlled kicks towards a target and big powerful kicks towards the goal. Lisa returns in two weeks for a gym and movement session.

We had a lovely visit from Bruno the puppy. The children had already seen photos of Bruno but were delighted to meet him in person!

Bruno was a superstar visitor, and Becci has promised to bring him in again soon to meet some more of the children.

World Book Day. Thursday 6th March.

To celebrate World Book Day, we will be having a day of stories and book themed activities.

On Thursday children can dress up as a favourite book character or come dressed in their pyjamas ready for a cozy day of stories.

There will be a World Book Day token for every child attending the nursery.

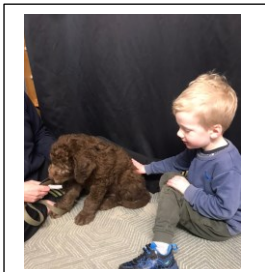

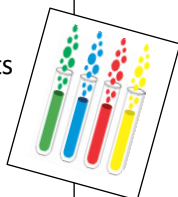

Science week. W/C 10th March

We have planned lots of fun activities for the children for Science Week. If you would like to come in to help the children with these then please do let us know and we can book a day and time that suits you.

(approx. 30 minutes)

Science gives us lots of 'awe and wonder' moments and is a wonderful thing to see the children experience.
