

Friday 22nd November 2024

This week is Road Safety Week, a campaign run by the road safety charity, Brake. During our activities with the children we have been talking about the importance of staying safe on and near the roads. The children made excellent suggestions as to how to do this, “hold a grown up’s hand” and “no running off”. On Wednesday the children used the chalked zebra crossing to practice getting across the road safely, with the children who were driving the cars stopping each time they saw someone waiting. We have also enjoyed creating tracks using tape, Duplo and rubber road track, counting passengers onto number frame vehicles, taking a ride on the Flying Start train and making our own junk model vehicles. On Thursday we were visited by Priya and Rab, two of our medical students, who enjoyed their morning playing with the children.

Outdoor Learning.

It's been a chilly week, but we have still enjoyed some fabulous outdoor learning and play. The children made a conga line train and visited numbered stations around the garden, practiced driving skills and crossing at our zebra crossing and used tyres to explore rolling. We have even had time to do a little bit of plane spotting!

Christmas party. Wednesday 18th December.

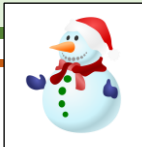

Our Christmas party is for all children who attend Flying Start.

If your child **does not** usually attend on this day, please drop them off at 9am and collect at 12.30pm.

If your child **does** attend on this day they will do their usual hours, either a 12.30 or 2.30pm collection.

We will be having a bouncy castle so please send your child in wearing comfortable clothing that is suitable for jumping around in!

A party food list will be posted on the notice board nearer the time. If you can provide an item/plate of party food please sign up next to the item, using your child's name. As always, thank you for your support.
