

Friday 2nd May 2025

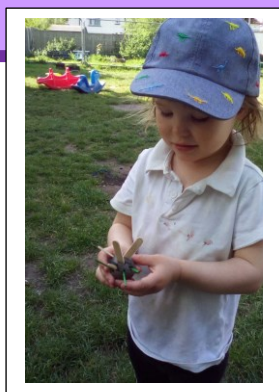

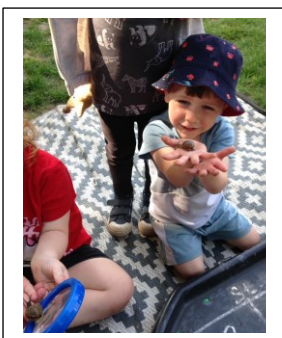

We have enjoyed a wonderful week of sunshine and mini beasts! The children hunted for bugs in the garden and marked them off on their record sheets, made clay mini beasts and observed the worms in the wormery. On Monday we enjoyed one of our favourite activities...snail racing! The children cheered on their chosen snail and Number 2 crossed the finish line first! Our outside activities have been a good opportunity for the children to learn how to handle living things with care by using gentle hands and returning them to their homes afterwards. Speedy the snail has been observed, fed and sprayed with water and took a little trip into the garden for some exercise. Please let a member of staff know if you would like to book Speedy for a weekend sleepover.

Our topic next week is Numbers and Shapes.

Congratulations to Georgia.

We are delighted to announce that our wonderful Georgia has completed her Level 3 Early Years Educator apprenticeship, receiving an overall grade of a Distinction!

We are so proud of Georgia for the commitment she has shown to her studies whilst also working and juggling a busy family life!

Farm Visit.

We are super excited to have Mill Cottage Farm joining us on Tuesday 20th May. The children will be able to enjoy hands on experiences with rabbits, pigs, sheep and goats. It really is such a special morning!

If your child does not usually attend on this day, then you are invited to come along with them between 10-11am. Parents/carers must stay with the child.

Important dates Summer term.

Farm visit at preschool 20th May.

Half term 26th May – Fri 30th May

Bank Holiday Mon 5th May

End of term 17th July

Family picnic 17th July
