

Friday 25th April 2025

Welcome back! We hope you have had a lovely easter break and enjoyed the beautiful weather that we had.

It was wonderful to see the preschool buzzing with energy again after the holidays. The children were keen to catch up with friends and share their news.

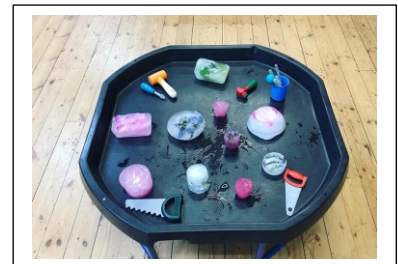

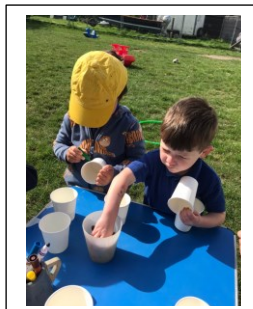

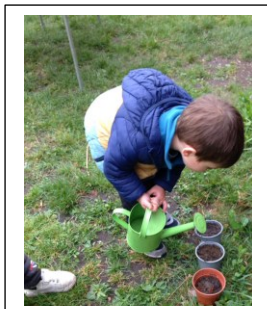

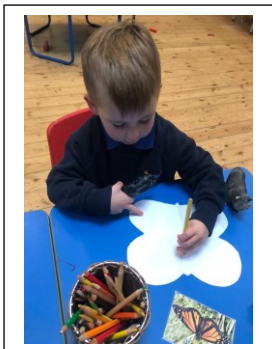

This week we have been looking at Spring. The children have created blossom tree art, planted in the garden, made petal potions and talked about the things that we see in springtime.

We had our first Little All Sports class for the summer term, where the children enjoyed a fun basketball session. There were plenty of cheers when a basket was scored!

Our topic next week is Marvelous Minibeasts.

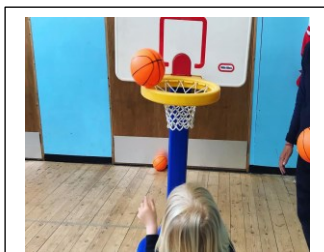

We are due to have warm and sunny weather next week. Please apply suncream to your child before coming to nursery. If children are staying until 2.30pm we can apply a top up if we feel it is necessary. Suncream must be in a named bottle in your child's bag.

Please provide a named sun hat, water bottle and pack spare clothes in your child's bag. We will be enjoying lots of lovely water play outside and this often leads to wet clothing!

We value your feedback!

We are always striving to make our preschool the best it can be for your child. Please take a few minutes to complete the attached parent/carer questionnaire to share your valuable feedback. Paper copies are available at the preschool if needed. Many thanks.

Important dates
Summer term.

Farm visit at preschool 20th May. Further details to follow.
Half term 26th May – Fri 30th May
Bank Holiday Mon 5th May
End of term 17th July
